BULK

2020 WHOLESALE COLORED LANDSCAPE
 MULCH NOW AVAILABLE!

WE USE CLEAN RECYCLED WOOD MATERIAL FOR OUR MULCH

Our Mulch Mission is to use various sources of recycled waste wood material, which is collected from Winnipeg and surrounding area. The wood material is non-painted waste wood, which is then sorted and all non-wood debris removed.

Colors Available:

- Natural (un-dyed)
- Black
- Brown
- Red
- Gold (Available through Pre-Order only)
- *Mulch is subject to availability.

Rakowski Recycling uses non-toxic, non-Hazardous dye, which is specifically designed for wood mulch application, and is Environmentally and pet friendly, plus sustainable.
